

2019 Victoria Day Parade

Brethren

Each year our Brethren the Shriners of BC & Yukon and Job's Daughters turn out in force with several Shrine units from all over the mainland and the Island, and do a fantastic job displaying the masonic fraternity at Victoria Day Parade to our visitors and community. Over the years these units have won many awards at this Parade.

Our Grand MWB Barry Burch will be visiting Districts 1 & 21 to take part in this year's Parade. We plan to walk with our Shriner Brothers and Job's Daughters and it would be fantastic to see a large contingent of Brother Masons join our MW Grand Master.

Venue: Victoria Day Parade

Date: Monday May 20, 2019

Time: 8:30 am (meet at Mayfair Mall .. details to follow)

It's a beautiful walk, approximately 3km, which is normally lined up with thousands of well-wishers and onlookers. Brethren, watch for the weather forecast and dress accordingly.

Brethren, we masons have a huge fan club out there, and at this event, you may get handshakes and hear stories from older ladies, mothers, sisters and daughters fondly remembering their masonic connections of their grandparents, fathers, brothers, friends or you may even meet those who have left masonry and those who are curious seekers and who wish to know more!

On behalf of the GM Barry Burch, we request each of you to make a special effort to join our GM. Let's connect with our community and feel their warmth and excitement. You will fall in love this walk and the atmosphere!

Please join us.
